

# Supreme Comfort Pad

The Humane Supreme Comfort Pad saves time and money when compared to alternative bedding types. All pads have a non-skid surface and are non-porous. They are also antifungal and antibacterial to ensure that your herd stays healthy. The Supreme Comfort Pads are easy to install because they are custom sized for your facility. The pads can be secured with anchors, which are available through Humane.

The Supreme Comfort Pad has a written 5-year limited warranty. Contact Humane Manufacturing

To ensure a top rolling herd, cows should be provided a safe, comfortable area to lie, ruminant and chew their cud. Only when this down time occurs can the process be complete and financially beneficial to the farmer. Placing your herd on our top quality Humane Supreme Comfort Pad, you can rest assured that your herd's down time is spent in comfort.
